

EMPLOYMENT OPPORTUNITY

Women's College Hospital is the first and only independent, academic, ambulatory care hospital in Ontario with a primary focus on the health of women. If you're ready to be part of the future of healthcare, then you will want to join an institution in which the possibilities for creative innovation, breakthroughs in new thinking and groundbreaking work in academic ambulatory medicine are limitless. Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice.

An exciting Temporary Full-Time (Approximately 1 year) opportunity as a **Medical Secretary (Competition #147.18)** exists in the Access Centre/Gynecology Clinic reporting to the Director, Clinical Resources and Performance.

The Medical Secretary provides clerical support to the Access Centre for the centralized gynecology program. This will include appointment bookings, telecommunications and customer service functions to support efficient Gynaecology clinics operations across multiple sites. The Medical Secretary may be required to perform one or more of the described duties, as assigned.

As a role model and champion, you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

Summary of Duties, but not limited to:

Contribute to the efficient operation of clinics by facilitating timely access to Gynecology services by receiving and processing referrals, telephone calls and scheduling appointments:

- Receive and triage telephone calls and referrals and schedule appointments as per clinics decision algorithms, protocols and pathways
- Confirm and retrieve required information from patients and/or referring source to appropriately schedule appointments
- Register and schedule patients in the Electronic Patient Record and assign Medical Record (MRN) number as required
- Communicate scheduled visit to referring physician and patient and provide patient with all required test/visit information and special preparation instructions where required
- Respond to telephone queries regarding appointment confirmation (date, time, clinic location, etc.)
- Cancel and reschedule new clinics' appointments as per written process and algorithms
- Provide callers (patients, families, health care providers) with logistical clinic and hospital information such as location of clinics/departments
- Monitor clinic schedules to ensure all appointment slots are filled
- Follow up on "no-shows" and rebook appointment for new patient bookings
- Confirm physician schedule of upcoming clinics and edit as required
- Monitor and communicate wait times for next available clinic appointments to key stakeholders

Engage in clerical/Administrative activities to support efficient clinic and Access Centre operations and develop a professional environment:

- Participate in process and quality improvement projects to support efficient clinic operations
- Attend and participate in clinical and administrative team meetings and quality, safety and utilization improvement projects, as required
- Participate in the development of a centralized referral system and processes
- Maintain clinical data and statistics, as required

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.
