

# EMPLOYMENT OPPORTUNITY

Women's College Hospital is the first and only independent, academic, ambulatory care hospital in Ontario with a primary focus on the health of women. If you're ready to be part of the future of healthcare, then you will want to join an institution in which the possibilities for creative innovation, breakthroughs in new thinking and groundbreaking work in academic ambulatory medicine are limitless. Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice.

An exciting Regular Part-Time (0.5 FTE) opportunity as a **Registered Nurse (Competition #3.18)** exists in the Surgical Services – Surgical Clinics Department reporting to the Clinical Manager.

**This position will be assigned to Surgical Clinics (Thyroid, Urology, Plastics, Ano-Rectal, General Surgery, Ortho subject to operational changes) clinics based on operational needs, organizational changes and physician scheduling.**

## **Summary of Duties, but not limited to:**

- To provide primary care to patients in Surgical Clinics and the Minor Procedure Room.
- Maintain patient safety through strict adherence to policies, procedures and ORNAC standards of care.
- Maintains knowledge and awareness of the patient's condition during procedures or interventional procedures.
- Active participation in learning and teaching opportunities to continuously improve patient care.
- As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.
- Develop care pathways/ patient education material in collaboration with the surgical services team
- Perform health assessments and provide pre & postoperative teaching

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

The responsibilities described above are representative and are not to be construed as all-inclusive.

## **Qualifications/Skills:**

- Current registration with the College of Nurses of Ontario.
- Perioperative Nursing Certificate required.
- Perioperative Certification CPN(c) an asset.
- BCLS certification required.
- Previous ambulatory clinic experience.
- Previous minor surgical perioperative experience preferred.
- Excellent assessment and organizational skills.
- Computer skills/and Perioperative Information system experience.
- Professional behavior and communication that meets the standards of the professional regulatory college or association, as applicable, and the standards of Women's College Hospital
- This position plays a critical role in acting as an advocate for safety and will demonstrate principles, practices and processes that will optimize a safe environment for all
