ABOUT WOMEN'S COLLEGE HOSPITAL CONFERENCE CENTRE

In the fall of 2015, Women's College Hospital (WCH) opened their brand new Conference Centre.

The Centre includes a 154 seat auditorium, 7 break-out rooms, business centre, catering kitchen, a spacious and bright atrium space that is available for after hours and weekend rentals, and full AV services.

One of the Conference Centre's unique features is the iconic pink cube at its centre: a bright, open space that serves as a hub of collaboration in research, clinical care and education. This bold architectural feature is the physical and philosophical heart of WCH. It is a symbol of our dedication to advancing the health and well-being of women – a place for them to be inspired, empowered and healed.
