

EMPLOYMENT OPPORTUNITY

Women's College Hospital is the first and only independent, academic, ambulatory care hospital in Ontario with a primary focus on the health of women. If you're ready to be part of the future of healthcare, then you will want to join an institution in which the possibilities for creative innovation, breakthroughs in new thinking and groundbreaking work in academic ambulatory medicine are limitless. Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice.

An exciting regular part-time opportunity as a **Foot Therapist (Competition #225.18)** exists in the Foot Care Centre reporting to the Executive Director, Family Practice Health Team.

Summary of Duties, but not limited to:

- Assessment of intrinsic and extrinsic structural and functional abnormalities affecting the correct functioning of the foot
- Recognition of disease, disorders and dysfunction of the foot and ankle
- Provides assessment and treatment of acute and chronic pathological foot conditions, minor surgical procedures and preventative foot care for patients
- Will operate within their full scope of practice and work cooperatively with all members of the health care team in the promotion of patient health and prevention of disease
- Provides compression and other fittings - stocking, braces, and custom fittings
- Biomechanical and gait analysis
- Casting for function and accommodative orthotics, and modification to orthoses
- Design short term and long term plans for our patients, patient education/counseling
- Documentation and maintaining patient needs in electronic medical record
- Prepare reports for third party insurance, referring doctors and employers
- Telephone and written communication with internal and external professionals on an ongoing basis
- Participate in teaching medical trainees, nursing students, and other health disciplines as required

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

The responsibilities described above are representative and are not to be construed as all-inclusive.

Qualifications/Skills:

- Current certificate of competence from the College of Chiropractors of Ontario
- Ability to work with a diverse patient population
- Exceptional written/verbal communication skills
- Professional behavior and communication that meets the standards of the professional regulatory college or association, as applicable, and the standards of Women's College Hospital
- This position plays a critical role in acting as an advocate for safety and will demonstrate principles, practices and processes that will optimize a safe environment for all

POSTING DATE: August 20, 2018

Please forward resumes via email to HR@wchospital.ca with your name and the competition number in the subject line. (Example: Jane Smith, 1.16)
