

EMPLOYMENT OPPORTUNITY

Women's College Hospital is the first and only independent, academic, ambulatory care hospital in Ontario with a primary focus on the health of women. If you're ready to be part of the future of healthcare, then you will want to join an institution in which the possibilities for creative innovation, breakthroughs in new thinking and groundbreaking work in academic ambulatory medicine are limitless. Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice.

An exciting Regular Part-Time opportunity as a **Medical Secretary (Competition #16.18)** exists in the Crossroads Clinic reporting to the Director.

The Medical Secretary provides clerical and administrative support to the Clinics/Programs. This will include reception duties, patient registration, appointment bookings and administrative functions to support efficient clinic operations. Medical Secretaries may be required to perform one or more of the described duties, as assigned.

Summary of Duties, but not limited to:

Facilitate efficient and timely access to specialist services by receiving and processing referrals and scheduling first appointments:

- Receive new referrals and triage according to established guidelines
- Confirm required information and retrieve relevant information from referring source
- Triage to correct clinic/physician using decision algorithms
- Confirm triage with physicians and clinical team, as needed
- Generate patient chart as needed
- Create patient record in registration system
- Schedule patient visit and coordinate required tests
- Communicate scheduled visit to appropriate people (referring physician, patient, etc.)
- Monitor clinic schedules to ensure all appointment slots are filled
- Provide patient with all required test information and special preparation instructions
- Provide patient with all logistical information (clinic location, etc.)
- Remind patient of appointment time
- Answer clinic-related phone calls and triage to appropriate staff member
- Follow up on "no-shows"
- Confirm physician schedule of upcoming clinics, as required

Contribute to the efficient operations of clinics by booking complex tests and follow-up appointments and ensuring that the chart management for each scheduled patient is up to date:

- Generate/prepare charts for clinic
- Retrieve patient results and file in chart
- Prepare reports for clinicians to review
- File reports in Women's College Hospital records
- Liaise with Health Records regarding chart requests
- Follow established Health Records protocols for managing patient charts
- Coordinate and book complex tests, appointments, and referrals to specialty services and clinics
- Exhibit a strong understanding of the intricate procedures/tests to be booked within the assigned specialty
- Work with the team in the assigned clinic as an integral part of that team and will ensure that team members are informed of the updated schedule, room assignment and any potential changes in the clinic schedule
- Effectively communicates with all hospital clients and stakeholders

EMPLOYMENT OPPORTUNITY

- Manage consultation letters
- Facilitate referrals to other health care professionals

Enhance the patient experience by checking patients in for their scheduled appointment and completing the check-out process following the appointment:

- Greet patients and visitors in a friendly manner, courteous and respectful manner
- Register patients, as required
- Act as the “face of the hospital”
- Provide exceptional customer service to patients, family and visitors
- Print clinic and practitioner schedules prior to clinic
- Verify required demographic information
- Validate health card
- Register patient visit in appropriate system for current encounter and track visits in systems as required
- Distribute and collect patient questionnaire or other forms
- Check in approximately 100 patients per day
- Visually scan waiting room to monitor patients
- Be attentive to the needs of waiting patients
- Check patients out of clinic as required, including scheduling a selection of follow-up appointments and basic diagnostic tests
- Verify patient has all instructions and required information post-clinic visit

Engage in administrative activities to support efficient clinic operations and develop a professional environment:

- Engage in activities to support efficient clinic operations, including use of various technologies and processes
- Respond to patient and provider inquirers & ensures messages are referred to the appropriate person
- Maintain supply and currency of administrative forms/pamphlets
- Attend and participate in clinical and administrative team meetings and participate in patient/office improvement projects as required
- Maintain clinical data and statistics
- Follow established policies and procedures
- Prepare a list of administrative supplies to be ordered/restocked when necessary
- Provide support to clinic team, as directed
- Follow established policies and procedures
- Processing of paper work for non-insured patients /procedures and associated payments

Clinic/Program specific responsibilities

- Receive patients and schedule appointments for Clinic Physicians and Nurse Practitioner
- Use Electronic Patient Registration/Booking System
- Organize interpretation services

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

The responsibilities described above are representative and are not to be construed as all-inclusive.

EMPLOYMENT OPPORTUNITY
