

EMPLOYMENT OPPORTUNITY

Women's College Hospital is the first and only independent, academic, ambulatory care hospital in Ontario with a primary focus on the health of women. If you're ready to be part of the future of healthcare, then you will want to join an institution in which the possibilities for creative innovation, breakthroughs in new thinking and groundbreaking work in academic ambulatory medicine are limitless. Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice.

An exciting Regular Part-Time opportunity as a **Registered Nurse (Competition #211.18)** exists in the Bay Centre for Birth Control (BCBC) reporting to the Clinical Manager.

Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice. The RN provides assessment, treatment and evaluation utilizing specialized knowledge in the biological/social sciences and nursing theory as it applies to the promotion of sexual and reproductive health. The nursing role at the Bay Centre for Birth Control and Special Treatment Clinic supports clients by providing an in depth understanding of the complex emotions and conflicting moral and cultural values that surround abortion and sexual health care. The Nursing role is central to client care, education and research components for the Bay Centre for Birth Control and the Special Treatment Clinic. The RN reports to the Clinical Manager of the Bay Centre for Birth Control and the Special Treatment Clinic

Summary of Duties, but not limited to:

- Functions as a member of an inter-disciplinary team and works collaboratively utilizing a client centered approach
- Provides comprehensive nonjudgmental sexual health assessment, education, treatment and follow-up including; testing and treatment for sexually transmitted infections and associated follow up care, pregnancy options information and abortion care.
- Assesses the physical, mental and emotional status of clients; provides emotional support, crisis counseling and follow-up with a particular emphasis on responding to disclosures of intimate partner abuse.
- Supports and facilitates Women's College Hospital's commitments to academic, research, teaching in an ambulatory care setting.
- Serves as a Champion by demonstrating a commitment to client care that is consistent with evidence based practice and in breaking down stereotypes of sexual differences and lifestyle choices; actively promotes care in an environment that supports persons regardless of their sexual orientation and identity.
- As part of a teaching hospital the RN will provide mentorship/preceptorship to new staff and students.

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

The responsibilities described above are representative and are not to be construed as all-inclusive.

Qualifications/Skills:

- Registration with the College of Nurses of Ontario. Baccalaureate in Nursing preferred.
- Demonstrated experience in crisis counseling, including assessment, intervention, referrals and linkages.
- Must have knowledge and experience in the process of establishing a therapeutic relationship with an understanding of interpersonal and development theory and the relationship of social justice to social, cultural and racial diversity
- Demonstrates a commitment to women's sexual and reproductive health with an emphasis on abortion access and care.

EMPLOYMENT OPPORTUNITY

- Previous experience in vaginal examinations.
- Must be comfortable with both male and female clients.
- Demonstrated ability to work as a member of a multidisciplinary team.
- Demonstrated experience in client/patient education/teaching.
- Ability to speak a second language is an asset.
- Previous public health experience is an asset.
- Proven attendance and punctuality.
- Professional behavior and communication that meets the standards of the professional regulatory college or association, as applicable, and the standards of Women's College Hospital
- This position plays a critical role in acting as an advocate for safety and will demonstrate principles, practices and processes that will optimize a safe environment for all

POSTING DATE: August 2, 2018

Please forward resumes via email to HR@wchospital.ca with your name and the competition number in the subject line. (Example: Jane Smith, 1.16)

We thank you for your interest, however, only qualified applicants who are selected to be interviewed will be contacted.

Women's College Hospital is a fully affiliated teaching hospital of the University of Toronto and is committed to fairness and equity in employment and our recruitment and selection practices. We encourage applications from Indigenous peoples, people with disabilities, members of sexual minority groups, members of racialized groups, women and any others who may contribute to the further diversification of our Hospital community. Accommodation will be provided in all parts of the hiring process as required under our Access for People with Disabilities policy. Applicants need to make their requirements known in advance.
