

EMPLOYMENT OPPORTUNITY

Women's College Hospital is the first and only independent, academic, ambulatory care hospital in Ontario with a primary focus on the health of women. If you're ready to be part of the future of healthcare, then you will want to join an institution in which the possibilities for creative innovation, breakthroughs in new thinking and groundbreaking work in academic ambulatory medicine are limitless. Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice.

An exciting opportunity as a **Registered Practical Nurse (Competition 283.18)** exists in the Surgical Services Peri-Anesthesia Department reporting to the Clinical Manager.

Summary of Duties, but not limited to:

- Work collaboratively with a multidisciplinary team to provide pre & post-operative care to ambulatory surgical patients in the Perianesthesia Unit
- Provide assessment and care of the patient's pain and nausea management
- Facilitates the patient's physical & psychological preparation for surgery & discharge
- Ensures a smooth progression of the patient through the peri-operative phase with strong assessment & critical thinking skills
- Provide extensive pre and post-operative health education, teaching and support to patients & their families, including telephone follow-up calls documented online
- Participation in education activities to advance and maintain competency in care of pre and post-operative patients
- May be required to work in other areas of the Surgical Services program
- As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

The responsibilities described above are representative and are not to be construed as all-inclusive.

Qualifications/Skills:

- Registered Practical Nurse Diploma
- Current Certificate of Competence (RPN) from the College of Nurses of Ontario
- Must have a minimum of 3 years current surgical experience in Surgical Day Care or other ambulatory setting
- Current BLS required and ACLS certification is an asset
- Critical Care and Health Assessment and Ambulatory Surgical Nursing course preferred
- Proven competence in initiation and maintenance of intravenous therapy
- Successful completion of the Physical Assessment Course for RPN with current competency
- Successful completion of the IV Therapy/IV initiation and maintenance course for RPN with current competency
- Proven ability to support comprehensive patient education throughout the perioperative continuum of care
- Successful completion of Administration of Medications course and proven competence in according to the standards of practice from the College of Nurses of Ontario
- IM injection course is an asset

WOMEN'S COLLEGE HOSPITAL
Health Care for Women

EMPLOYMENT OPPORTUNITY

• **Excellent computer skills**
