

EMPLOYMENT OPPORTUNITY

Women's College Hospital is the first and only independent, academic, ambulatory care hospital in Ontario with a primary focus on the health of women. If you're ready to be part of the future of healthcare, then you will want to join an institution in which the possibilities for creative innovation, breakthroughs in new thinking and groundbreaking work in academic ambulatory medicine are limitless. Women's College Hospital is committed to patient safety as a key professional value and an essential component of daily practice.

An exciting Casual opportunity as a **Registered Nurse (Competition #117.19)** exists in the Dermatology - Mohs Centre reporting to the Clinical Manager.

Summary of Duties, but not limited to:

- Perform preoperative and postoperative patient assessments
- Actively participate in surgical procedures including administering local anaesthetic and performing electrofulguration
- Management of post-surgical site including dressing wounds
- Provide extensive patient education related to the procedure, and post care including wound care, healing and sun skin protection.
- Prepare procedure trays with aseptic technique
- Manage patient flow
- Liaise with Community Care Access Centres
- Respond to patient telephone inquiries, including management of complications
- Participate in teaching medical students and nursing students
- Document in patient chart
- Stock procedure rooms with medical supplies

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

The responsibilities described above are representative and are not to be construed as all-inclusive.

Qualifications/Skills:

- Current certificate of competence from the College of Nurses of Ontario
- Membership in the Dermatology Nursing Association is an asset
- 2 years' experience in a hospital setting with surgical or dermatology experience is strongly preferred
- Able to work independently and manage complex and unpredictable patients through critical thinking and judgement
- Ability to stand for extended periods of time and physically manoeuvre a fast-paced environment
- Excellent time management skills
- Proficient in Microsoft Office
- Exceptional written/verbal communication skills
- Professional behavior and communication that meets the standards of the professional regulatory college or association, as applicable, and the standards of Women's College Hospital
- This position plays a critical role in acting as an advocate for safety and will demonstrate principles, practices and processes that will optimize a safe environment for all
