
Cardiology Inter-professional Grand Rounds

Cardiovascular Events in Immigrants to Ontario Canada: The CANHEART Immigrant Study

Friday, February 26, 2016

12:00 - 1:00 pm

WCH, Floor 6, Room 6214

Jack V. Tu, MD, FACP, FRCPC

Senior Scientist, ICES and Clinical Epidemiology Program, Division of Cardiology,
Sunnybrook Health Sciences Centre, Professor of Medicine and HPME, University of Toronto

Learning Objectives

At the end of the presentation you will be able to:

1. To discuss the rationale for studying cardiovascular disease in immigrants to Ontario.
2. To review the existing literature on cardiovascular disease in immigrant populations.
3. To discuss key findings from the CANHEART Immigrant Study, including the prevalence of risk factors and incidence of CVD events in different ethnic/immigrant groups to Ontario.

These rounds are supported by unrestricted educational grants through our sponsors:
Bayer, BMS/Pfizer, Lantheus, Boehringer-Ingelheim

This event is an Accredited Group Learning Activity (Section 1) as defined by the
Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada
