

We Remember December 6

NATIONAL DAY OF REMEMBRANCE & ACTION ON VIOLENCE AGAINST WOMEN

This year marks the 24th anniversary of what has come to be known as the Montreal Massacre. On Dec. 6, 1989, a man entered L'École Polytechnique in Montreal, separated the men from the women and shot and killed 14 women while making anti-woman statements.

On the anniversary of this tragic day, Women's College Hospital will reflect on violence against women and remember the women who have tragically lost their lives to gender-based violence.

Please join us in our commemoration.
