

## We Remember December 6, 1989

### **NATIONAL DAY OF REMEMBRANCE & ACTION ON VIOLENCE AGAINST WOMEN**

December 6, 2009, marks the 20th anniversary of what came to be known as the Montreal Massacre. On that day, Marc Lepine walked through l'École Polytechnique in Montreal, separated the men from the women, and then proceeded to shoot and kill 14 women while making anti-woman statements.

Please participate in our commemoration  
Friday, December 4, 2009  
Noon – 1 p.m.  
Cummings Auditorium  
Women's College Hospital

### **Why Men Matter: Preventing Gendered Violence**

Keynote Speaker:

**Dr. Lori Haskell**

Clinical psychologist, assistant professor of psychiatry at  
University of Toronto and academic research associate at the  
Centre for Research on Violence Against  
Women and Children

Everyone welcome
