Q-Tip #5

PREVENTING WORKPLACE VIOLENCE

- Workplace Violence can include:
 - ✓ An attempt/exercise of physical force at a workplace that causes or can cause physical injury
 - ✓ A statement/behaviour that can be interpreted as a threat to exercise physical force
 - ✓ Domestic violence that can enter the workplace
- If the situation is escalating activate Code White by dialing **5555** or pressing Code White alarms
- Notify Security by dialing **6090** if you have a safety concern or if you are working alone
- Be sure to complete an IRIS report after a workplace violence incident
- You can learn more about managing and preventing workplace violence at mywch.ca

WCH is committed to providing a safe workplace
