

QuickTip

ACCREDITATION | December 5 to 9, 2022

PREVENTATIVE MAINTENANCE *Q-Tip #22*

- Preventative maintenance ensures that medical devices & equipment work and are safe to use.
- At WCH, biomedical engineering services including safety inspections for new equipment, preventative maintenance, repairs, and recalls are provided by CHRISTIE INNOMED (except for Lab and Medical Imaging)
- If you find a medical device or medical equipment that is not functioning properly:
 - ✓ **Remove** it from circulation
 - ✓ **Contact** Biomedical Engineering
 - ✓ **Label** it with an “Out of Service” repair tag
- You can contact Biomedical Engineering at Bio.Med@wchospital.ca or 416-323-6029 or 1-866-888-0885 (after-hours support)

Preventative maintenance is essential to equipment safety
